

Remarks:

This amendment is submitted in an earnest effort to advance this case to issue without delay. The examiner has indicated that the case contains allowable subject matter.

The priority papers were filed with the original application papers and their receipt was acknowledged in the above-mentioned Examiner's Action. The undersigned hereby reiterates the priority claim made in the earlier-filed Declaration.

Claim 4, which originally depended directly from claim 1 which in turn was the sole independent claim in the case, has been found to contain allowable subject matter. Accordingly the subject matter of claim 4 has been inserted into claim 1, claim 4 has been canceled, and the other claim dependencies have been corrected as necessary. This places all the claims in condition for allowance.

If only minor problems that could be corrected by means of a telephone conference stand in the way of allowance of this
